Angel D.U.S.S. (Angels Dwelling Secret Saving Souls) is a constantly expanding group of untried talented pitch-black men, who have the over package to revolutionise the culture of hip-hop and lead the youth out of the negative way of thinking. 8 MP3 Songs HIP HOP/RAP: Spiritual Rap, GOSPEL: Contemporary Gospel Ghetto Religion Chapter One Songs Details: Angel D.U.S.S. consists of a constantly expanding group of untried talented pitch-black men, who by divine providence have managed to escape the fatal results of hanging in the death traps constructed in the inner city. Fortunately we've survived long enough to experience a miraculous conversion into GODS marvelous light. GOD, who has saw it fit to bless us with the ability to absorb the ghetto's frustration and release it through music inspired by HIS word, while still maintaining street credibility. We have the over package to revolutionise the culture of hip-hop and lead the youth out of the negative way of thinking and into a righteous way of life. So there you have it. Angel D.U.S.S. (Angels Dwelling Secret Saving Souls) wasn't created just to make records in the music industry. We were born to make history.
