The car actually rolled over onto Clyde, causing severe injuries to his body, crushing certain bones. Part of Clydes recovery process has been his development of these songs for his solo debut album: Band of Clyde, swimming in rain. He plays all of the instruments, writes all of the music and sings all of the songs. Hes rife with creative ability and musical genius, combined with a special knack for what sounds good, with catchy hooks, licks and interesting lyrics. He also has marvelous, relaxing, solo piano instrumental music cds: lost cities and found cities. Check them all out, were sure You Like!
