Classical/traditional Christmas music (vocals accompanied by Celtic harp percussion) spanning seventeen centuries. 15 MP3 Songs in this album (45:53) ! Related styles: CLASSICAL: Early Music, CLASSICAL: Medieval Details: Travel through time with us as we explore sixteen centuries of Christmas joy! Creating "L'Etoile de Noel" has been such a joy for all three of us! I had always wanted to do a Christmas CD - not just the usual familiar Christmas songs, but the older, richer, deeper music of the Yuletide season. While planning a playlist, I realized I wanted vocals, not just harp, and my friend soprano Cathy Vickers-Morton graciously "signed on." When we were nearly ready for the studio, I had the pleasure of performing a medieval Spanish harp piece accompanied on small drum by another friend, Cynthia Farrell. Of course I immediately realized that she had to be part of "L'Etoile de Noel." We all hope this CD brings you as much joy as we had creating it. Joyeux Noel!!
