Intelligent hip-hop that is musically and lyrically engaging enough to make you want to turn it up, listen up, get up and dance. 17 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Hip Hop Details: Dave Allen is a model and musician out of South Jersey who has been influenced by the entertainment industry ever since he was a child. He has been inspired by many different genres of music and artists which is why his music tends to be more diverse than most hip hop artists today. He produced his debut album entitled "Never Look Back", as well as wrote all the lyrics, and overlooked the whole process of recording the album. Many events in his life have been the motivation for his musical creation such as the death of his brother in 2001, the near death of him brought upon by a housefire in 2002 and a motorcycle accident in 2005. He hopes he can gain alot of exposure to the general public because he is positive his music would be embraced by people of all ages. His music is highly accessible, popular, and above all else, it is talented. Dave has also recenetly added a modeling division to his career in the entertainment industry. You can check out his modeling website at DaveAllenTalent.com. For booking information contact him through his main website ProlificSounds.com. The Never Look Back project took about a year to compose as far as the music, lyrics, and recording process. Check out his site at prolificsoundsand feel free to contact him with any information you would like to know. Additional artists that are involved in the completion of "Never Look Back" are: Co-Produced by Pat Hart Engineered, Mixed, and Mastered by Nick D'Errico Additional Vocals-Pat Hart Guitar by Dan Burns and additional keyboards by Nick D'Errico
