This cd sounds like Jim Morrison, Eric Clapton, and Jimmy Hendrix , got together to play Lynyrd Skynyrd songs 8 MP3 Songs EASY LISTENING: Love Songs, EASY LISTENING: Soft Rock Details: Gary Whitworth, known as WHIT. He plays as hard as he lives. Whit is a six foot, hundred and sixty pound, blue eyed country boy with an irresistible attitude. When asked why he rocks so hard his favorite comeback is, " I do it all for the snapper." Whit has electrified his fans with a live show that always catches the audience off guard. From running through the sell out crowds, to singing with the bartender, he has a unique way of keeping everyone involved with his music. Whit's following loves the excitement of the show. However, it's the one in a million bluesy voice, and a style truly of his own that keeps them returning time after time.
