Smooth jazz with soft string sounds, jazz guitar and light, Latin-touched percussion; even a touch of Funk here and there. 8 MP3 Songs JAZZ: Smooth Jazz, EASY LISTENING: Background Music Details: We have a new artist on the scene. Henry was waiting for the right time to come out. Henry has performed with such artists as: Richard "Groove" Holmes, Jack McDuff, Jimmy McGriff, Hank Crawford, Eddie Fisher, Albert King, Shirley Brown, Freddy Washington, Willie Akins, Darryl Washington, and a host of others. but, the most important thing of all is that he can play! Henry is a very gifted musician that can play many different styles of music and once you here some of his work we are sure that you will agree. most of the music on this cd is on a smooth jazz style except for "Naz" witch is on a Latin rock fusion style, and "the Outsider" witch is on a laid back fusion style. Henry performed all the music on this cd himself except for "Naz" and "Swinging ahead". Drummer Kevin Ball played digital drums on "Naz" and "Swinging Ahead" along with keyboardist Stephon Jinkings. This is a very good cd for sitting back, relaxing or driving down the highway. It will help take the stress away. So, if you will, put in the cd, sit back, relax and listen to some great music from one of the best musicians on the scene today. We on the behalf of Taylor Productions would like to thank you for your support and listening to one of our most up coming new artist. We hope that you enjoyed listening as much as we enjoyed playing for you. Thank you maddhouz "HENRY TAYLOR JR." - PHASES OF LIFE
