Their musical style could best be described as a mangled pairing of video games, hip hop and electronic trickery. 17 MP3 Songs ELECTRONIC: Breakbeat/Breaks, ELECTRONIC: Experimental Details: Ilkae, composed of Aaron Munson and Krystian Lubiszewski, representing from Canada and Poland respectively, present their second full length outing on Merck. What will also be there final release, as they have since gone separate ways. Their musical style could best be described as a mangled pairing of video games, hip hop and electronic trickery. Their youth is reflected on this 16 track, 55 minute adventure, that bounces all over the place with lots of energy and chip influenced spunk. A light hearted romp with most tracks remaining around two to four minutes in length. Served best during a gaming session from your 360 Hard Drive, or when you can't find your ritalin.
