Southern American singer songwriter. "Excellent guitar work and right-on-the-money soulful vocals. An outstanding effort." The Indie File 11 MP3 Songs BLUES: Acoustic Blues, ROCK: Americana Details: Producer / musician Jay Miley delivers his first solo CD after working on over a hundred projects for other music groups (including Frank Carlier, the humbles, Swing Soup and Michael Reno Harrell.) Critics call his music soulful, real and from the heart. His guitar work has been heard on several projects including an acoustic version of "oye como va" on the Major League 3 soundtrack. He is known for being a realist in the studio, not going for the sampled, sterile sound inundating today's airwaves. One critic says, "Miley proves himself more than capable in a variety of styles. With a strong cast of supporting musicians, Jay has produced a solid example of music that matters." J. Rostar-Music Reviews Quarterly Tired of Taco Bell and Burger King? Need something with substance? Jay Miley delivers a nice juicy steak. "Recommended for fans of folk, blues, or just good music." Tom Hyslop/ Blues Review Magazine
