She grew up in a Christian home, but did not know the reality of having a personal relationship with Jesus Christ. At age 13 she attended a Christian concert and went forward to an alter call to receive Jesus as her Savior. Unfortunately she was not in a place to be discipled and drifted into a wild party girl lifestyle for a season. In 1980, however, while attending the University of East Carolina she had a dramatic experience with the Lord that altered her life forever. In that moment of encounter with the Lord she bowed her knee and gave her life to Christ. She was filled with the Spirit and began to follow Him as the Lord and Master of her life. Life has not been easy she has suffered many things a tragic divorce, many surgeries and circumstances that would make a person want to give up in life, but Jesus Christ has not only seen her through it all but brought her through to victory! Her music reflects this journey with Christ in an honest and positive way. Jean has served God in many different ways. She was a worship leader for more than 10 years before God moved her into the singer/songwriter arena. Her music is being played on the radio in England and several stations in the US. She has a new music video out called Brand New Day which can be viewed on her website at JeanChamblee Jean sings where ever the Lord opens the doors. Her evangelistic heart loves to get into places where she can sing to the lost. She is a seasoned minister and a Bible school graduate. The depth of her walk and understanding shows up in her music. It is truly food for the soul!!! Enjoy it and be blessed!
