

Mp3 Jeff & Maya Bohnhoff - Manhattan Sleeps

[DOWNLOAD HERE](#)

Innovative, cinematic rock arrangements with soaring vocals and guitars. Hard to describe - harder to forget. 12 MP3 Songs ROCK: Folk Rock, ROCK: Modern Rock Details: The sound of Manhattan Sleeps is a modern yet timeless blend of acoustic and electric, with an atmospheric splash of synths and exotic percussion. The lyrics are both introspective and outward looking - searching for spirituality without pretension or pat answers. Maya's vocals are warm and powerfully assured. Jeff's guitar playing and other instrumental work provide a solid foundation for Maya's voice. The first cut, "Road to Jerusalem," was included on a Best Of anthology CD from Radio Nur. Both the album and the song were number one in their categories on MP3for several weeks.
