

Mp3 Josh Goode Band - A Soundtrack For The In Between

[DOWNLOAD HERE](#)

Quirky, catchy, inventive, yet oddly familiar pop/rock. 11 MP3 Songs POP: Beatles-pop, ROCK: Extended Jams Details: "A Soundtrack for the In Between" is the Josh Goode Band's first full length album. The title itself is extremely indicative of the band's dedication to variety, as it gently yanks their listeners from one extreme to the next. It's in between genres, it's in between stages of life. Fans of rock, funk, jazz, reggae, and even gospel will probably love this album. It's all very catchy, and all immediately accessible. It's poignant, clever, and heartbreaking. When you try it out, you'll understand. You'll get the meaning of the in between, and if you're a fan of this band already - they give you all the more reason to fall in love with them again...and again...and again.
