Spooky, but in a good way- like dinner at the Twin Peaks Cafe if it were located in the deep South. 8 MP3 Songs COUNTRY: Bluegrass, COUNTRY: Country Blues Details: People ask me all the time what this music sounds like and I say, "I have no idea what to tell you." The comments that I hear back run like this: "Like Twin Peaks in the South - Creepy Bluegrass. If Brian Eno played for Patsy Cline." My personal favorite and our motto: "Spooky - but in a good way!" Its all about obsession, murder, love and the sweltering heat and lazy days of the south under all that. Check it out!
