Be sure to check out: My Bad Automatic Delusion Ooo Girl Just Another Day The Scene LoonaC started producing a few years back with the goal of making songs that actually have meaning behind them and lyrics that tell a story, not following the standards in rap music. This album being titled "Justification For Inebriation" is just that, a collection of songs about relationships, stress, work, beer, and life in general. Coming from Austin, TX and bringing a totally new sound and voice to Texas rap music. If you're looking for some good Rap/Hip-Hop music with something to say and great music with an alternative edge then "Here It Is".
