who are interested in Karen Carpenter Laurie Berkner should consider this download. Details: A BRIEF

HISTORY MARY LAMBERT Juno Award Nominee, Mary Lambert, is a family

singer/songwriter/performer who resides in Kingston, ON. Mary Lambert is an outstanding Canadian artist

in the childrens entertainment field and her two Juno nominations and 8 awards from the United States

(Parents Choice Award Winner, iParenting Award Winner, and Dr. Toy, Best Childrens Vacation Product

Award Winner) are a remarkable testimony to her talent and artistry. Her wonderful voice and colourful

performances are filled with infectious music, sheer energy and lots of audience participation. Since 1993,

Mary has toured and performed over 2500 shows at schools, music festivals and family focused events

throughout Canada. Mary Lambert Productions has released 11 CDs, one video and one live concert

DVD. We are thrilled to announce that in April of 2008, Marys song Buzzy the Busy Bully Bee was named

as a finalist in the International Songwriting Competition (ISC), in Nashville Tennessee and received an

honourable mention award. In July 2007 her Pajama Party CD and DVD were included in the OUR

CHOICE 2007 Publication. Our Choice is the Canadian Childrens Book Centres annual guide to the best

new Canadian books, magazines, audio and video for children and teens. Marys career began while

living in Bracebridge, ON, when a friend overheard her singing to her three small children at bedtime.

They began a delightful childrens entertainment company entitled Jam Sandwich and released two

childrens recordings together. In 1995, Lambert moved to Kingston and her solo career was born.

Throughout her years as a singer/performer, and mother of four, Mary has thoroughly enjoyed bringing

the joy of music and creativity to kids of all ages through her recordings and concerts. Her background in music includes producing parades, musical theatre songs, and circus events with all of the children in her neighbourhood as she was growing up. Her childhood energy and creativity bubbled up, to allow her to remain a kid at heart with her musical career in her big kid years. Her latest project, Monkey Sing, Monkey Do! was released in June of 2008. This new CD is filled with original songs full of light-hearted humour, and traditional tunes which will entice all listeners to sing-along and dance-along. Monkey Sing, Monkey Do! is just plain FUN! Mary is a dazzling and dynamic addition to the Canadian childrens music scene, and has had reviews published in Canadian Living Magazine, Todays Parent, Resource Links for Canadian Elementary Schools, and B.C. Parent, among many other educational and entertainment publications in both Canada and the United States.
