Details: BIOGRAPHY Marian Blair was a young woman in search of true love. After stumbling around in the proverbial "all the wrong places", at age 23 she landed in the arms of God through Jesus Christ. The impact changed her life forever as she experienced the overwhelming power and passion of God's enduring love. She was infused with a desire to convey this message of love that would bring comfort and peace to his children. The love walk of over 27 years has produced a book entitled "My Lover" followed by a musical CD "Just M.E. and My Lover" The two projects describe with vivid details the triumphs, sufferings, and the character demands of real love. Marian acquired skills to minister while preaching on street corners and serving soup to the homeless with her husband Apostle George Blair. From what is termed as "The Pot of Soup Ministry", three churches have been formed. This ministry of love has expanded to include programs that minister to men and women bound by substance abuse and other ills of society. It is from her powerful experiences as a minister that she is able to deliver biblically sound messages. The riveting lyrics reach out and literally 'stick' to your souls. The melodies are diverse and reflect a broad range of styles including contemporary, traditional, jazz, and worship. To hear her is to feel her and her lover at the same time. Deep soulful tunes calm you, others make you feel like dancing, and others take you into the very presence of God in worship. Marian's musical background includes her CD release in 1999, Generations II Revealed, a duo formed with daughter Kimberly Jones. She is featured as a background vocalist with Gospel Artist William Becton's new release Broken -2. The fresh new original sounds will inspire and uplift you as you hear God's voice and sense his love and presence. The projects reveal the most important parts of the Christian walk-love and union with Him, living a holy life and loving

one another. SCHEDULE OF EVENTS Marian is a singer/ songwriter/musician of Deliverance Temple Ministries.
