Yeah, it's just that easy. I Can Fall deftly takes the listener on the journey to seek and find God. The laughter of the little girl in The Beauty of a Girl delights you as Melanie prays for her daughters faith and future. The title song from her debut CD made me feel that God was singing His promises along with Melanie Hart as she declared her faith. What You Desire, Abide, Praising My King, and To Live all speak of what God requires of us and of our struggle and desire to remain connected. Theyre more than that, though the lavish music and vibrant vocals pour Melanie Hart's passion into the listener. The praise song One More for Him is an excellent lead-in to Lullaby for a King. This isnt your standard Christmas carol. It blends the happiness of Christmas with the awe of Good Friday and the joy of Easter morning. The final cut, I Know a River (For the Nations) brings us out of ourselves and into the larger Body of Christ His Bride praying for His world. It is an uplifting song that appropriately caps a powerful CD.
