

Mp3 Moti - Door Waves

[DOWNLOAD HERE](#)

His vocal acrobatics range from Gyoto monk throat singing to perfect trumpet imitations to alien utterances. Using electronic loopers and effects to create vocal layers he is a one-man bazaar. 11 MP3 Songs NEW AGE: Yoga, ELECTRONIC: Ambient Details: This CD is inspired by the love and practice of dancing, teaching and playing music for Contact Improvisation, a partner dance form based on the physical principles of touch, momentum, shared weight, and following a shared point of contact. Moti's vocal acrobatics (aka: Mark Zemelman) range from Gyoto monk throat singing to perfect trumpet imitations to alien utterances. Using electronic loopers and effects to create vocal layers he is a one-man bazaar. If Bobby McFerrin and Moby had a baby...
