new york city based trip/pop with layed back, sexy-smooth, female vocals. 6 MP3 Songs POP: with Electronic Production, ELECTRONIC: Down Tempo Details: NEELEDROP is a New York City based trip/pop duo consisting of Amanda on vocals and Steve on guitar and production of their music. Steve is originally from New York, while Amanda is originally from Ireland. They first met in Ireland in 1998 where steve was on tour with his former band Fun Lovin' Criminals. Realizing their instant chemistry the duo briskly moved back to New York and started writing the music that would become NEELEDROP. Steve creates the instrumental tracks for Amanda's lyrics and haunting vocal melodies. Their eclectic style comes from a wide range of influences, taking from the spectrum of modern music, such as Nina Simone Sade the Beastie Boys Dr. Dre, Coldplay, Red Hot Chili Peppers, Garbage, Green Day, Alice in Chains, and The Ramones. They are currently performing in venues around New York City and Brooklyn. Check out our newest review at dgmpublishing.com/IOM/CDReviewsNeedledrop.htm
