Music from a decidedly hard swinging vocal jazz band, it features innovative, fresh arrangements of unexpected standards, with a mixture of jazz, blues and latin/world beats, punctuated by outstanding soloing and musicianship. 20 MP3 Songs JAZZ: Jazz Vocals, JAZZ: Traditional Jazz Combo Details: From Julia Roberts' 35th birthday party to the Bellagio in Las Vegas to main stage concert and festival appearances, Noel Freidline and the Nfq have captivated audiences wherever they perform. Together since 1992, Noel Freidline leads an acoustic jazz ensemble that has successfully bridged the gap between artistry and entertainment. They have developed a signature sound built upon the innovative writing and arranging of Noel Freidline and powered by masterful musicianship, stellar vocals, an infectious enthusiasm for the music, and a sincere desire to have fun. A diverse and captivating experience that is fresh, creative and exciting! Noel Freidline's repertoire is an eclectic mix of old and new. From standards from the Ella Fitzgerald and Frank Sinatra songbooks, to clever adaptations of Simon Garfunkle and Lennon McCartney, they specialize in giving the audience something they have heard before but in a way they have never heard it before. Currently based out of North Carolina, pianist/vocalist Noel Freidline and his band spent three years in Las Vegas performing as a house group at the prestigious Bellagio Hotel and Casino. While at the Bellagio they were involved in the shooting of the remake of "Ocean's 11." They can also be seen in the Robert Redford film "The Legend of Bagger Vance." Freidline is joined by his musical partner of 12 years, vocalist Renee Ebalaroza. Likened to Nancy Wilson, Ebalaroza is featured on all six of Noel Freidline's CDs.
