Improvisational ambiance with a beat. 8 MP3 Songs ELECTRONIC: Soundscapes, AVANT GARDE: Electronic Avant-Garde Details: Embarking on a bold new musical adventure, Peter Cor's new CD Into The Light combines improvisation and looping to create a colorful sonic blend of ambiance and beats. The musical colors flow from "otherworldly" ethereal pieces, to space age funky grooves and world music influences. The cover art was created by world renowned painter Tom Marlatt and is a perfect visual compliment to the music. Peter Cor had performed some of these pieces live, at the recent Y2K7 Loopfest in Santa Cruz, Ca. This was the impetus for him to continue his tonal explorations which resulted in the completion of the CD Into The Light. People who are interested in should consider this download.
