"Bangin' beats and great lyrics...This album is something everyone should have in their collection"-XXL

This is a new style of hip-hop and rap that still maintains the original essence of the culture. This is truly GREAT music... 16 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Rap Details: Ridic is an up and coming star from Oakland, California who has created a new style of hip-hop and rap while still maintaining its original essence. Ridic's album is titled "No Apologies". He is the winner of four Billboard World Song Contest awards. Ridic has recorded with Numskull from the multi-platinum selling group, The Luniz, at Ridiculous Music Studios, and performed with Digital Underground after being discovered by Shock G backstage in a freestyle session. He has been rapping since preschool, and now at 22, he has mastered the art of rhyme, cleverly creating multidimensional lyrics with double and triple meanings. With Ridic, there are no corny gimmicks, just quality music that everyone will want to bump in cars, clubs, and at home. He is already on mix tapes on the west and east coasts. Ridic's album "No Apologies" has been voted four out of five stars on the prominent hip-hop website, northern-ridaz and has received great reviews worldwide by everyone who hears it. "Ridic comes with solid flows on the mic, I like how he talks about things that people might not think about putting on a hip-hop album. He mixes gangsta rap, hip-hop, and R&B together to make the album different on nearly every song. I'm feeling this one to the fullest; a tight jam"(2SiccReviews). In addition to rapping, Ridic produces, engineers, and manages his record label, Ridiculous Music, LLC with his older brother, Nut Case. He plans to make his music international, collaborating with the greatest rappers and musicians of the world.
