

Mp3 Ryan Crosby - Cut The Cord

[DOWNLOAD HERE](#)

A progressive pop record that features upfront melodic vocals over a fusion of programmed beats and synths with electric and acoustic guitars. 11 MP3 Songs in this album (43:49) ! Related styles: POP: with Electronic Production, ROCK: Modern Rock People who are interested in Foo Fighters Linkin Park Gnarls Barkley should consider this download. Details: CUT THE CORD is the first solo release from Ryan Crosby, the former member of Attached By Wires and VAST. From the opening crescendo of Shine Alone to the final dissolve of King Of The Assholes, this record is the journey of an entire year of recording told through 44 minutes of provocative music. The eleven songs fuse urban-influenced beats with melodic vocals and colorful lead guitars to form a sound that is both modern and borrows a little from the past. Its music fit for the ipod generation. People listen to all types of music now, so artists dont have to write the same song over and over. While the record focuses on tight song structure, the live show gives the songs a fresh energy and features a lot of improvisation between the musicians, offering unique shows on a nightly basis.
