

Mp3 Sader - Different Shades Of Black

[DOWNLOAD HERE](#)

A Dreamscape in world of tears, where Dark Wave comes together with the Outcries from the Mind. A blend of Goth, Industrial, Dark Wave and a splash of Fulguration. 12 MP3 Songs ELECTRONIC: Industrial, ROCK: Goth Details: A Deep and gray journey through theatrical abundance is the best way to describe Different Shades of Black. The anticipated album mixes classical sounds with murdervillia to soothing rhythms clashing with the riffs of drums. Sader has some singles being played in numerous shows in San Antonio Tx. Two mixes that will be found on the upcoming album are also being played in various clubs in Las Vegas NV. Currently Sader is in the studio recording their up coming album, To The Death of Valentine. The album is Scheduled for release in Feb 2006.
