A collection of 14 songs ranging in theme from social commentary to personal growth. Poignant strong lyrical composition, solid instrumentation. Beautiful harmonies. 14 MP3 Songs FOLK: Modern Folk, EASY LISTENING: Ballads Show all album songs: Arrow Creek Songs Details: Arrow Creek is Steve Madewell's second CD. Lyrically the songs tell stories that are set or tied to a rich landscape. Song themes range from: the troubling question about how society has changed in less than one generation, a quest to regain something lost or left behind, the loss of a family farm, a plea for living more lightly on the land, the simple hope provided by of a gift of love, a humorous look at our lifestyle, to the awful dependancy modern society has on oil and more. Caroline Quine provides wonderful harmonies in several songs and sings the folk rocker Drivin. Lyrically and musically it is a very solid piece of work. Arrangements vary from extremely open and bare to more dynamic interplay between slide octave mandolin and guitar.
