

# Mp3 Steve Strickland - Reverse Chronology: A Songwriter's Anthology

[DOWNLOAD HERE](#)

25 Years of songwriting representing the spectrum of American Music. 33 MP3 Songs BLUES: Blues Vocals, FOLK: Folk Pop Details: This 25-year retrospective contains a 20 page booklet describing the backgrounds of each of the 33 songs as well as annotated recording info. Some songs are sung by Steve, while many others feature the vocals of long time songwriting partner, Tim Cook - now a member of The Subdudes who have just recorded a new album for release Spring of '04 on the Backporch label. John Magnie from the Subdudes (another friend and collaborator) provides several contributions as does Seth Strickland of the Indica Gypsies (known in some circles as Strick the Younger).
