One man blues band. Guitar, harmonica and foot percussion. All raw and authentic. 10 MP3 Songs
BLUES: Acoustic Blues, FOLK: Folk Blues Details: Snapping twang, sliding bottleneck grease, and wringing beef-jerky riffs from his Taylor, singing with grit, groove and grace. Chuffing on a braced harmonica and pounding time on barbecue boom box with clog-clad feet. I recommend him to anyone who loves good music. -John D'Agostino, Award winning music critic, L. A. Times He' s fabulous to hear, visually amazing and has everthing it takes to be world famous. -Lynn Harper, Talk Show Host "... but it's White's wry, black-coffee tilt on life's psychological lint-balls and human foibles that give his music a brainy sparkle to go with the greasy-spoon snap and slink... but nothing's missing or wrong here; when songs are fully mature and technique is this time-forged and impeccable, all you need is a chair and a microphone." -Soundings / Wood Steel
