They certainly appeal to fans of Jack Johnson with a touch of pop, a touch of reggae beat and a heaping helping of laid back. While they sometimes channel the softer side of Sublime, the Bennys are equally able to sustain a long Grateful Dead jam. 14 MP3 Songs WORLD: Reggae, FOLK: Folk Pop Details: The Bennys have been performing throughout Northern California and Nevada since 2004. The band formed when singer Bobby Martinez gathered musicians from well known area bands to create an eclectic musical experience. Their easygoing sound is a relaxing blend of island music and modern folk with upbeat rhythms. With funky beats that people can dance to, or groove along with from their seats, a performance by The Bennys leaves audiences with an experience they won't soon forget. The Bennys are: Bobby Martinez- vocals, guitar Will Fourt- lead guitar, vocals Brian Burke- bass Arron Creechley- drums Scott Reams- keys, saxophone Chuck Bond- trumpet Art Luna, Owner of Lunas Cafe calls the Bennys' music "definitely great funk--a sentiment echoed by a small legion of fans. The band certainly appeals to fans of super-cool Jack Johnson with a touch of pop, a touch of reggae beat and a heaping helping of laid back. While they sometimes channel the mellower side of Sublime, the Bennys are equally able to sustain a long Grateful Dead-like jam. Definitely danceable."
