Over the top Hardcore Honky-tonk 10 MP3 Songs COUNTRY: Country Rock, ROCK: Americana Details:  
It was a dark and stormy night. A band of thieves sat around a fire, tell us a story said the little one. So the chief began. No, that's not how it went. They both spent their youths digging to the sounds of Johnny and Hank Sr. among others like AC-DC and The Clash and so they decided to write country music. They've been adding new things to the live show like BINGO, twister, Spodies and Volume. They enjoy the simple things in life like: Tequila, Beer, Women, Bowling, Long walks on water, Thongs (On girls, not themselves...Well...maybe on themselves), Pierced nipples (See Cheeder), Tattoos, Roller Derby, Buckin shoots, etc....
