We clique tight and we on top...So there ya have it..."Top Clique"... The group consist of four members: Pimp T.,Torch,Jewelz,and Q.P. All assassinating from the streets of a small town called ADEL,GA.(Cook County). Each member has their own unique style of rapping and when they combine these four unique styles, you get the REAL sounds of the South in one CD. They've recently released an underground CL&IC entitled "Hated by Plenty, Feared by Many". The title speaks for itself. The group was formed by Pimp T. Torch. Pimp T. took it amongst himself to find 4 of the most hated and feared rappers of Cook County and made one DEADLY combination. Each member ranks SUPREME in battle and trying to battle them as a clique is not a wise decision. Even though many have tried, many have died and failed....There is NO question about T.C. They practically run the 229 area of Georgia. Even though they don't have a major record deal, their music can still be heard on the GA. radio stations.
