Sexy Beast Sherri L. King Sequel to Hung Like a Dead Man. Be careful what you wish for... When Angel's car dies at a crossroads, during a full moon, at midnight no less, she fervently wishes the clunker will restart and wheeze the few remaining miles to her home. And along comes Otto, a sexy beast who "fixes" the car and takes his payment in trade-Angel's body, naked and ready on the hood of her old Diablo. That's what devils do, after all. Trade. But Angel learns of her mistake too late. While a supernatural car with a permanently undying engine is great and all, her body is a pretty steep price to pay. Too bad that's not all Otto wants.
