Where is love when you really need it? Certain that she will depart this world at the tender age of twenty-eight, Madison O'Donnell is determined to experience breathless, passionate love in the two weeks left to her, no thanks to her stuffy boss, T. Laurence Hobbs! T. Laurence is the perfect tax accountant, a man who likes his ducks in a row and his numbers in a column. But there is no way he will sit by while the lovely Madison throws herself at the absolute wrong man. If the only way to save Madison from herself is to make her fall madly in love with him, then it's up to T. Laurence to make it happen. And as he turns his number-crunching skills to capturing his sexy secretary, he's beginning to think that there is more to life than death and taxes!
