Being involved in a legal case can cause both anxiety and frustration. In *Get the Justice You Deserve*, author and practicing attorney JOHNNY A. PINEYRO provides practical and relevant information to not only help you solve legal problems, but take the worry and concern out of the process. Focusing on personal injury cases as a result of an accident, Pineyro details the course of a case and answers an array of questions: What is a personal injury case? What are damages? How are damages assessed? How do I collect damages? Who pays the doctor bills? Should I hire a lawyer? What should I expect from my lawyer? What should I tell my lawyer? Should I litigate or settle? How do I file a lawsuit? *Get the Justice You Deserve* details the framework you will find in the legal landscape and provides advice to understanding the process in order to get what you deserve before it's too late.
