"His vocalize is the embodiment of emotion... it's like your best friend is cantabile to you, but with a depth of love and longing that you never knew he obsessed This is the immortalise you could buy any one of your friends, regardless of their musical tastes, and know that they will be thanking you for a long time." -91X's Hilary "His version of "Always on My Mind" was the most beautiful I've ever heard (sorry Elvis) and his original songs were great... a combination of Springsteen and Dylan, but a better vocalize." - San Diego Reader Live Review "At a time when sensation is celebrated over substance, Alex Woodard is a modern rock poet poised to go cross-genre..." Rockpile "His truest gift is his storytelling... amongst anthemic hooks are gritty prayers for deliverance and haunting waltz-like tributes. Overall, very strong, unpretentious rock with diverse elements that keep it hopping as it seduces you." Allmusic PICK "SXSW PICK Woodard is in the mold of Dave Matthews and David Gray, and has already generated radio play nationwide." Austin Chronicle, SXSW PICK Alex lives in a little beach town north of San Diego, in a little beach house, with a big black dog.
