Pop with a touch of jazz and electronic 11 MP3 Songs POP: British Pop, ELECTRONIC: Soundscapes
Details: Disarmed is the gathering of three extremely talented musicians: Marco Minnemann (drummer), Fabio Trentini (Bass) and Mario Brinkmann (keyboards). Fabio, Marco and Mario started collaborating in 1999 for the Illegal Aliens LP "International Telephone". In 2001 a collaboration on Paddy Kelly's album "In Exile" followed. Shortly after, the trio began combining old material (The Big Reality and Undone) Fabio had started writing while with his old pop-rock band "Icemen" with new material such as "The Stronger Part Of Me". Before long, the pop-acoustic studio project "Disarmed" was born. The three musicians are now based in Germany and San Diego and travel the world playing with various bands and have their solo CDs out!!. Fabio is well known for bass player in the band H-Blockx and Marco can be found on stage behind the drums with artists such as Nina Hagen, Nena, Paul Gilbert and Mike Keneally.
