Mp3 Capsule Queen - Moonflowers

DOWNLOAD HERE

Their sound has best been described as a Luxurious, Electro-Magnetic Symphony of Guitars and Skyrockets. One of San Francisco's rising bands. 15 MP3 Songs ROCK: Psychedelic, ROCK: Glam Details: The first Capsule Queen sightings took place in the summer of 1998 in the remote Black Rock Desert of northern Nevada. There are strange reports of an abduction that permanently altered minds and caused wide spread hysteria amongst Black Rock City Residents. We are told they left a mysterious recording behind entitled "Moonflowers" which is now circulating in San Francisco, California and feverishly spreading across the Internet. Their sound has best been described as a Luxurious Electro-Magnetic Symphony of Guitars and Skyrockets. Capsule Queen is: Reid Maxwell [Vocals, Guitar, Tweaks and Freaks] Ben Connor [Lead Guitar and Fractal Waste] Sherry Lou [Bass and Daggers] Scott Wojno [Drums and Levitations] Contact: capsulequeen@hotmail.com
