

Mp3 Cerulean - No Sense In Waiting

[DOWNLOAD HERE](#)

Indie rock that spans the distance between crashing, uptempo foundation tremblers and haunting, atmospheric mood pieces. 11 MP3 Songs ROCK: Modern Rock, POP: British Pop Details: Cerulean is an American treasure in awe of the pretty atmospherics and ethereal stomp of post-punk icons Echo the Bunnymen and the Chameleons. The Los Angeles trio weaves layers of dreamy, swirling riffs that seem to transcend the Earth, propelled into the heavens with relentless energy and a wallop of radiant pop hooks. Featuring vocalist/guitarist/bassist Rick Bolander, guitarist Noel Kelly, and drummer Dave Cerwonka, Cerulean picks up where British rock groups such as Catherine Wheel and Ride left off, utilizing walls of guitars that sparkle while they storm through a psychedelic haze. Bolander's voice recalls the melancholic, romantic crooning of English college bands from the late '80s and early '90s although the group is not fixated on nostalgia. Produced by David Newton, the former guitarist of alternative-rock pioneers the Mighty Lemon Drops, 'No Sense In Waiting' showcases Cerulean's dazzling intensity and otherworldly chime.
