Fresh unique style of contemporary grass-roots acoustic guitar and vocals. 12 MP3 Songs POP: Folky Pop, ROCK: Americana Details: Fa continues his love of writing music and producing new inspirations. Paul has just recently produced his latest album, White Cap(c) 2007. This album was produced shortly after Fa produced his debut album, Short Wave (c) 2006. Fa would like you to embrace his most recent new work found on CD Baby. This new album is the perfect compliment to any rock enthusiasts collection. White Cap contains 12 new songs, from Fa, showing a relaxed songwriting mood and style. These new songs are catchy, being the kind you wind up humming all day long. I really enjoy this new album of Fa's. Grab a cup of coffee and take a listen to it. Let him know what you think of it by writing to Fa at paul_at_fazsongs.com.
