Catchy piano power-pop that will have you singing at the top of your lungs in your car-strangers will be disturbed - you won't care - you will play air drums and rock on. 12 MP3 Songs POP: Piano, ROCK: Classic Rock Details: If you like your piano loud, your vocals loaded, your beer cold and your tv 80s, then let me introduce Graham Hobson the BRS. Your friendly neighbourhood axe-wielding pianoman and his band of merry minstrels is hitting the shelves in 2007 with their debut album Hairbrained Scheme. Described by some random dude as an aussie Ben Folds with a Brit-pop edge and by others as...uh, never mind...Grahams groovy tunes will have you singing out loud in the car and disturbing commuters at traffic lights in no time. Graham has cut his teeth playing piano bars for over a decade at Australias finest and downright scariest venues. A feature of his shows is an eclectic playlist that froggers from rock to roots; ballads to funk. Hairbrained Scheme is no exception. Ever get halfway through an album to realize youre listening to a B-grade version of track 1...for the 5th time? Hairbrained Scheme will keep you on the hop from go to whoa! Myth Busters Q. Is it true that Grahams piano keys are made from unicorn ivory? A. No, but he did once beat Mr T in a backyard cricket match. Q. Does BRS stand for Brisbane Riot Squad? A. No, but they have been known to scream violently and throw cocktails at each other. Q. Is Graham Hobson the BRS the greatest band of all time? A. No, but they did win the Encouragement Award at the Wattle Creek High School Battle of the Bands in 1992 and 1999. If youre still reading this its a lost cause - youd better check out the tunes, round up the crew and head to the next show. The bios over now..LET IT GO!
