Acoustic pop with incredible harmonies 10 MP3 Songs FOLK: Folk Pop, ROCK: Acoustic Details: This is the debut CD from Halcyon, released in 1993. It has long been "out of print", or "unavailable". Has it really been 16 years?! Over the years we've heard from the fans that they want this CD, so we've figured out a way, with CD Baby's help, to offer it up digitally. We guess it makes sense, after all, who wouldn't want to be naked, and going to Paris?
