Passion is an album that embodies the whole nature of what music is. Reliving the days when music and lyrics told stories, taught lessons and shared what being human is all about...being both strong and helpless...allowing you to journey with me through life. 18 MP3 Songs URBAN/R&B: Soul, EASY

LISTENING: Love Songs Details: Hello, My name is Imani Whidby- Singer, songwriter, composer, producer and owner of , record label IKMCORPS. I began singing at the age of 7, after while listening to my grandmother's old 45 record of "who's loving you" BY: Michael Jackson and the Jackson 5. From that point on, I had found my voice, a way to express how I felt.. At age 11 I wrote my first song. In my late teens I was the background singer for King George's "life of a kingpin" album.. At the age of 19 I was fortunate enough to be mentored by legendary artists Norman Connors and Jacques Burvick. Now I am ready to share myself with the world beginning with "passion" It is my greatest desire that you enjoy my music.
