JAZZ: Traditional Jazz Combo, JAZZ: Latin Jazz Details: The Jim Stewart Jazz Trio has been performing in the Baltimore area for about 12 years. During this time we have been playing many different styles of traditonal, latin and contemporary jazz. During the past 3 years we have been writing our own music to further our own artistic/creative cravings. We feel the need to express ourselves further by writing our own compositions. It is our hope to add a little more beauty and peace to our world through our own compositions.
