

Mp3 Joe Salazar - Lost.

[DOWNLOAD HERE](#)

An emotional mix of electronica/acoustic blended with a style all his own, he throws together his Bob Dylan grass roots and new-age electronica into the intense debut album "Lost." 11 MP3 Songs
ELECTRONIC: Dance, ROCK: Acoustic Show all album songs: Lost. Songs Details: Joe Salazar comes fresh out of New York City back to his hometown of Scottsbluff, Nebraska to create his Debut album "Lost.". An acoustic blend of lyrically charged dance music, this artist will be sure to get stuck in your head...in the best way possible! After only playing for 8 months Joe began recording his first album with Denver Producer Nick Cocozzella (Kill Paradise) and now has an 11 track cd that will be available for digital download January of 2008! With an extensive tour schedule planned, Joe Salazar will be sure to hit your hometown, with a bang! So be on the lookout for tour dates in your area!
