A refreshing cocktail of Roots Rock and Classic Country. 5 MP3 Songs COUNTRY: Country Rock, ROCK: Americana Details: From the steel mills and oil fields of Western Pennsylvania to the Metropolitan grit of New York City, Joe Thompson roots his listeners to his lyrical tales of barroom politics, love lost, love found, and the beauty of a good buzz. With both the brazen spirit of Roots Rock, and the booze-soaked belligerence of Classic Country, this emmerging artist comfortably genre-hops while maintaining an honest lyrical consistency.
