

Mp3 John Called Mark - Songs From The Basement

[DOWNLOAD HERE](#)

Blues/rock, pop and gospel with a Memphis edge. Powerful vocals and great tracks. 16 MP3 Songs
BLUES: Rockin' Blues, ROCK: Americana Details: It's not the ordinary commercially packaged product
the majors churn out...the songwriting is real...and the production and emotion is outstanding. Great
production and awesome musicians...soulful and authentic, cut on 2" tape for a big fat sound. It's music
the way music used to be...real and powerful. Please stop by the website for a visit, it's a great site,
colorful and you can e-mail the artist, while you're there.
