Details: Making this CD project has been a journey that I will never forget. It has been filled with tears, joy, laughter, and struggle; all of which came with a purpose ... Gods purpose. Looking back ... I have been singing my entire life, but it was for me. Though, in the theatre of my mind, and in the depths of my heart, I sensed He was always there. In 2002, I decided that I had enough and trying to live a life without Him was not working. I had taken for granted the gifts and talents he gave me to glorify Him. I praise God for His unfailing love for me. I praise God for giving me the grace to do what His truth has demanded of me. I have since learned Proverbs 19:21 is the driving scripture in my life and I have taken off the gloves, and as for me and my household, I have decided to serve the Lord with all of my heart, and this is the fruit of that love He showed me, and now I give it back to my Heavenly Father. I love you Lord! I want to thank my wife Rita for her unfailing love and support for this CD project. When I felt that this wasnt going to work and felt like giving up, she was right there encouraging me and praying for me. I know I could not have finished this project without her in my life. I Love you Rita. I want to thank God for leading me to Harvest Fellowship Church and giving me favor. I am grateful for my family at Harvest, especially, the Praise and Worship team for their prayers, support and encouragement. Though, if it wasnt for Craig and Julie Clifton, I would have never been plugged into the Harvest family. Thank you Lord! I would like to say another special thanks to Julie Anne Morehouse and Khalilah Stonum for lending me their beautiful voices and talent. I look forward to seeing what God is going to do in their lives. Also, I would like to give a special appreciation to Pastor John Cannon and Pastor Tim Dishongh for allowing me to utilize, accelerate and grow in my gifting. I love you all. What a blessing all of you have been in my life! I want to thank my entire family for all of their love, support and prayers, especially my father and mother for

believing in me, and without God opening their hearts to pour financial blessings into this project, I would have never been able to get this done. I love you with all of my heart! And again and again, I thank you Father God, for giving me your Son Jesus, who died for my sins and gave me eternal life, and who now lives in my heart. May this project be a sweet sound in Your ears, and may Your Love and Mercy pour through every word that is sung, into the ears of all who hear it. To You God, be the glory! Proverbs 19:21 Many are the plans in a mans heart, but it is the Lords purpose that prevails.
