[DOWNLOAD HERE](#)

Dark ambient and electronic, spacey, edgy, spooky, subtle, melodic. 10 MP3 Songs ELECTRONIC: Ambient, ELECTRONIC: Soundscapes Details: Kepheus is the dark ambient/electronic/space project of Byron Paladin (synthesizers) and Jeff Sampson (voices and synthesizers). We have deep sonic roots in dark ambient, ritual and the macabre - our intention is to produce music that's accessible, dark, melodic, and edgy. We feel very comfortable with Dark Matters, our first CD, and we're confident listeners will feel the same way. This is music for those who appreciate dark atmospheres, meditative introspections, fantastical eargasms, deep space soundscapes, and organic industrial rhythms. People who are interested in Steve Roach Coph Nia should consider this download.
