## Mp3 Kye Evan - Let Things Go

## **DOWNLOAD HERE**

A blend of soulful original pop / rock without the sugar coating. Music for the body, mind and soul 9 MP3 Songs POP: with Live-band Production, URBAN/R&B: R&B Pop Crossover Details: Kye started his music career at the age of just nine years old, being noticed early on for his ability to craft great melody lines with catchy hooks and positive messages. After many years of eager anticipation by fans and industry people alike, Kye is finally ready to unveil his first solo album this coming winter. The album entitled "Let Things Go", which includes powerful singles such as Too Beautiful, Dreamland, So Wrong and Let Things Go, has already made a dramatic impression on music critics, record producers and music fans across the nation. Whether listening to Kye inspire a woman in a broken relationship in Too Beautiful, or hearing the ultimate appreciation for love in Dreamland, one thing is for sure: there's nothing quite like hearing Kye Evan sing about a beautiful woman.. With musical influences ranging from Prince to Bob Marley to Lenny Kravitz, Kye's album is expected to be a very rare and highly welcomed addition to any music collection. Kye is also the co-founder and an executive director of the Bandwerks Record Label, a new music service that exploded on the scene this year when they invited music fans from around the world to participate in actually voting for the artists and bands that receive a record deal. Music lovers not only get the chance to have a more intimate part in selecting the artists they want to see make it, but they also get a lot of great promotional items and music as the artists become popular and succeed in the industry.
