

Mp3 Larry N. Swenson - The Wide Mouth Frog

[DOWNLOAD HERE](#)

international children's songs, and the famous story of the wide mouth frog 17 MP3 Songs KIDS/FAMILY: Children's Pop, KIDS/FAMILY: General Children's Music Details: This collection of children's music from around the world is the perfect way to introduce your family to other lands, using the fun of action songs and the joy of listening. Use the CD for staff training to help teachers, camp counselors, musicians and kids understand other and appreciate other cultures. Use the music in your school or camp setting since the songs are all "action songs." Sung by Larry N. Swenson, a children's songwriter and entertainer, from Minnesota and Mexico City! Believe it or not! Hear the Wide Mouth Frog like you've never heard before, done in both English and in "AB!" The collection includes music from Mexico, Venezuela, Estonia, Japan, Morocco, the USA, Chile, Denmark and Sweden. You'll find the rhythms of the samba, rumba, mambo, reggae, as well as Polynesian and African beats. Listen to Hip-Hop, Bluegrass, R&B, traditional jazz, Bowery waltz, and fifties rock. Exotic instruments include the Didjeridoo, cabasa, the rain stick, and singing drum. And even a few itinerant farm animals have found their way onto the CD! Recorded by Old Goat Productions, Atlanta, Georgia, and produced by Noel International of Lake Park, Minnesota.
