

Mp3 Sam Crain - Jazz Guitar Vol 2

[DOWNLOAD HERE](#)

Bigger and badder than its predecessor (Jazz Guitar), this CD features some burnin' solo, duo, and trio selections, plus selected home-studio cuts. A jazz guitar lover's delight. 14 MP3 Songs JAZZ: Bebop, JAZZ: Latin Jazz Details: Sam Crain-guitars, bass, keyboards Dave Burdick-guitar(2, 14) Andy Burtschi-bass(4,9, 13) Rich Olson-drums(4, 13) Craig Russo-drums(9) Wayne Coniglio-bass(3,7) Steve Adleman-drums(3,7) The material is mostly originals, mine and one tune by LA-based trumpet player/bandleader DC Hall, but also features two standards: Polkadots and Moonbeams and Blue Skies. Some of the other material, such as "Stella by Bar Light"(which can be heard in its entirety on my website, along with Dos Guitarros) and the 2-part "Bawdy in Seoul" is obviously taken from the standard repertoire, while other tunes(Dos Guitarros=One Note Samba, Birthday Girl=All the things you are)are new melodies over standard changes, and somewhat less obvious. But it's all jazz and it's all good. Hope you enjoy Jazz Guitar Vol 2. I'm happy to say that Jazz Guitar Vol 2 has also sold in Hong Kong, England and Ireland as well as throughout the US. Along with "The Sam Crain Trio", Jazz Guitar Vol 2 has been my best-selling CD on CD Baby. Go figure... thanks, Sam Crain PS Thanks here to Michael Taylor for helping me put this CD together as far as the cuts; thanks to Rich at Capitol Blueprint Springfield, IL, for making me a much better back cover; thanks to my brother Josh for helping me in putting the CDs back together(with the new back covers).
