Mind-boggling fusion in the vein of Tribal Tech, Frank Gambale, Return to Forever; mixed with the insanity of Spastic Ink.... 16 MP3 Songs JAZZ: Jazz Fusion, ROCK: Instrumental Rock Details: "It's nice to hear folks still stretching the boundaries. It's amazing... sounds like a labor of love" (Steve Vai) "I just listened to your cd and it's a killer mate! Just great writing and also the musicianship is top notch! Man, I can't believe the complexity of your tunes.... Once again, congratulations on doing such a great job Scott." (Brett Garsed) "Freedom" is the debut album from this incredible fusion artist. Scott Jones is more than just an incredible guitarist, add his stellar compositions and you also end up with more than just another guitar based album. A perfect description of the music on "Freedom" would be a blend of Tribal Tech, Return to Forever, Herbie Hancock and Spastic Ink. CD comes enhanced with video, MP3's, and a special Chops From Hell presentation. "Freedom" also features sax-player Bill Elrod on four tracks.
